

Hamper Donation Program

In our Victim Support and Integration Programme, funded by the UNODC, City Hearts provides material assistance in the form of tailored hampers including food, clothing & toiletries to victims saved from Human Trafficking. The tailored hampers are a one-time support, meeting immediate needs for victims in or around Accra. City Hearts Africa has budgeted for a minimum of 100 tailored hampers, but we will be able to give out more if we get further donations. It is our hope and vision to increase this amount with your help and support!

Volunteer Support

City Hearts Africa is most keen to work with volunteers in this program. Our volunteers in this program will do the following:

1. Collect items from our various collection points and bring it to City Hearts Africa.

2. Log items that will be stored so we know which items we might need to purchase to complete hampers.
3. Create Hampers and store them so they are ready to be handed to our clients when the need arises.

Please contact City Hearts Africa if you are interested and feel called to volunteer with us in this program. You can reach out to us by email: info@cityheartsafrica.org
